[3rd August 1955

Resettlement of ex-servicemen in the State.

* 1898-J Q.—SRI S. R. ARUMUGAM: Will the Hon. the Minister for Health be pleased to state the amount provided in the budget for 1954–55 to resettle the ex-servicemen in the State and how this amount has been spent?

THE HON. SRI A. B. SHETTY :—" A statement [a] is placed on the table of the House."

SRI S. R. ARUMUGAM :—" I find from the paper placed on the table of the House that nearly one half of the total provision made in the budget has been spent on the Wynaad Colonization Scheme. May I know whether any other institution working for the benefit of ex-servicemen applied for financial aid from the Government and, if so, why the application was not sanctioned? "

THE HON. SRI A. B. SHETTY :—" Amounts are being spent on various purposes for the benefit of ex-servicemen. In the Wynaad Colonization Scheme, a very large amount has been spent so far."

Government Brennen High School, Tellicherry.

* 1898-A Q.—

MR. SPEAKER :—" I told the House that question No. 1898-A would be taken up tomorrow. As the Hon. Minister is prepared to answer it now, we will take it up."

SRI K. MADHAVAN NAMBIAR : Will the Hon. the Minister for Finance be pleased to state—

(*a*) whether the Government received any representations from the public and the school authorities in 1954 about the inconvenience felt by students in the Government Brennen High School, Tellicherry, for want of enough accommodation; and

(*b*) if so, the action taken thereon?

THE HON. SRI C. SUBRAMANIAM :—" (*a*) No, Sir.

" (*b*) Does not arise."

SRI K. MADHAVAN NAMBIAR :—" The students in the school are experiencing great inconvenience for want of adequate accommodation and other facilities. Will the Government enquire into the matter and do something immediately to relieve the situation? "

THE HON. SRI C. SUBRAMANIAM :—" The matter is under the consideration of the Government."

SRI C. H. KANARAN :—" As the school is situated in a damp place and as this is very unhealthy, will the Government see that a new building is constructed in a healthy locality for accommodating the school? "
